B.I.C.E.P.S.

New quality for sports and you

B.I.C.E.P.S is a **Safe and Certified Sports helper**. It is meant for people going to the gym and exercising at home. The device is supposed to help in an exercise, in which we have to focus on precision and efficiency. It is small and easy to use. You put it on barbells for example, using velcro, you press the button and wait for the sound. After the sound we begin the exercise, **the device counts sets and repetitions for us**.

B.I.C.E.P.S is an original device, designed from the ground up, tested and meets user requirements.
